PRESIDENT'S REPORT FOR THE YEAR ENDED 30 JUNE 2020

Ladies and Gentlemen,

On behalf of The Board of directors, I present to you the 65th Annual report for the year ended 30 June 2020 of the Gallipoli Legion Club Newcastle Ltd.

I would like to begin by offering my sincerest regards to all members in the hope you and your families are all safe and well as we learn to live with the unstable times of recent months

The Covid-19 global pandemic has certainly placed an immense amount of pressure on businesses to not only survive, but to look for varying ways in developing new operating systems and in many ways reinvent themselves to cope with the restrictions placed on the hospitality industry in particular, through compliance of social distancing and patron numbers.

In what has been a sharp learning experience for all of us, the aid and support from Federal and State Government has been of great help and as the economy remains fragile, I hope the Government can continue to provide financial assistance to businesses, employers and employees well into the future, with the effects of

ANZAC Day Commemorations were understandably not permitted this year, but it was wonderful to see so many people adapt to the circumstances with many households, neighbours and suburbs adopting a driveway

A huge thank you to my fellow Club Directors, CEO, Staff and Gallipoli Club Members who have co-operated, adapted and shown great persistence in the face of adversity to maintain a positive outlook and focus on the

I look forward to the challenge of the next 12 months with much optimism, and remain grateful to our Members for your amazing patronage and loyalty.

Take care and I hope to see you at the club soon.

Our Membership as at 30 June 2020 was as follows:

Ex Service Members	50
Social members	1,026
TOTAL MEMBERS	1,076

Kind regards

Peter Coates
President

SECRETARY MANAGER'S REPORT FOR THE YEAR ENDED 30 JUNE 2020

Dear Members

I hereby present to you the annual report for the year ended 30 June 2020.

To say that the last 12 months has been a rollercoaster of a year would be a gross understatement!

First and foremost I would like to thank the members for your resolute support, conduct and patience during venue lockdown with your constant messages of sustained support providing the resolve to keep pushing forward, no matter what crazy scenarios were being thrown our way on a daily basis. Thank you so much one and all.

My heartfelt gratitude to Directors and Staff who continued to be staunch every step of the way through unprecedented times with a positive attitude and belief that together we can overcome anything. Fantastic effort everyone.

Over the last 12 months further improvements and upgrades have taken place with the level 1 auditorium seeing new flooring and lighting installed an upgraded beer system increasing product range enabling more variety on offer to members and guests. The installation of a new P.A System in the auditorium will further enhance and amplify the live music, corporate and private function experience.

The Gallipoli Legion Club (The Gal) has long been regarded as a great live music venue. In association with Allon Silove & Joshua Barnett, creators of the From a Distance Sessions, the club is excited to be linked with the 'FAD' Sessions nurturing young local musicians in giving them a platform to have their original music heard. Allon and Joshua will be staging weekly performances of local talent, hosted by The Gal and showing our support for the local music industry.

Take care everyone & stay safe

Cya @ The Gal soon

Kind regards

Michael Cleary
Secretary Manager

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 30 June 2020

The financial report covers The Gallipoli Legion Club Newcastle Limited as an individual entity. The Gallipoli Legion Club Newcastle Limited is a company limited by guarantee, incorporated and domiciled in Australia.

The functional and presentation currency of The Gallipoli Legion Club Newcastle Limited is Australian dollars.

The financial report was authorised for issue by the Directors on 22 December 2020.

Comparatives are consistent with prior years, unless otherwise stated.

1. STATEMENT OF ACCOUNTING POLICIES

This financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, Urgent Issues Group Consensus Views and other authoritative pronouncements of the Australian Accounting Standards Board and the requirements of the Corporations Act 2001.

The financial report covers The Gallipoli Legion Club Newcastle Limited as an individual entity. The Gallipoli Legion Club Newcastle Limited is a company limited by guarantee, incorporated and domiciled in Australia.

The following is a summary of the material accounting policies adopted by the association in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

Reporting Basis and Conventions

The financial report has been prepared on an accruals basis and is based on historical costs modified by the revaluation of selected non-current assets, and financial assets and financial liabilities for which the fair value basis of accounting has been applied.

Accounting Policies

(a) Income Tax

The charge for current income tax expenses is based on the profit for the period adjusted for any non-assessable or disallowed items. It is calculated using tax rates that have been enacted or are substantively enacted by the balance sheet date.

(b) Inventories

Stock has been valued at the lower cost and net realisable value. Cost is based on the first-in-first-out principle and includes expenditure incurred in acquiring the stock and bringing it to location.

(c) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment losses.

Property

Freehold land and buildings are measured on the cost basis less depreciation and impairment losses.

The carrying amount of land and buildings is reviewed annually by the association to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets' employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining recoverable amounts.

Plant and Equipment

Plant and equipment are measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by the association to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets' employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining recoverable amounts.

Depreciation

The depreciable amount of all fixed assets including buildings but excluding freehold land, is depreciated on a straight line basis or diminishing value basis over their useful lives to the association commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable asset are:

Class of Fixed Asset	Depreciation Rate
Buildings	2.5%
Plant & equipment	10% - 40%
Leased plant & equipment	40%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the income statement. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the entity are classified as finance leases.

Finance leases are capitalised, recording an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual values.

Leased assets are depreciated on a straight-line basis over their estimated useful lives where it is likely that the entity will obtain ownership of the asset. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

(d) Financial Instruments

Recognition

Financial instruments are initially measured at cost on trade date, which includes transaction costs, when the related contractual rights or obligations exist. Subsequent to initial recognition these instruments are measured as set out below.

Held-to-maturity investments

These investments have fixed maturities, and it is the company's intention to hold these investments to maturity. Any held-to-maturity investments held by the company are stated at amortised cost using the effective interest rate method.

(e) Employee Benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

Contributions are made by the company to an employee superannuation fund and are charged as expenses when incurred. The company has no legal obligation to cover any shortfall in the fund's obligation to provide benefits to employees on retirement.

(f) Provisions

Provisions are recognised when the company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

(g) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the balance sheet.

(h) Revenue

Revenue from the sale of goods is recognised upon the delivery of goods to customers. Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets. Revenue from the rendering of a service is recognised upon the delivery of the service to the customers. All revenue is stated net of the amount of goods and services tax (GST).

(i) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

(j) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(k) Critical accounting estimates and judgments

The directors evaluate estimates and judgments incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company.

Key estimates — Impairment

The company assesses impairment at each reporting date by evaluating conditions specific to the company that may lead to impairment of assets. Where an impairment trigger exists, the recoverable amount of the asset is determined. Value-in-use calculations performed in assessing recoverable amounts incorporate a number of key estimates.

Coronavirus ('COVID-19') pandemic

Judgement has been exercised in considering the impacts that the COVID-19 pandemic has had, or may have, on the entity based on known information. This consideration extends to the nature of the products and services offered, customers, supply chain, staffing and geographic regions in which the entity operates. Other than as addressed in specific notes, there does not currently appear to be either any significant impact upon the financial statements or any significant uncertainties with respect to events or conditions which may impact the entity unfavourably as at the reporting date. However, the ongoing COVID-19 pandemic may impact the estimation uncertainty due to the extent and duration of actions by governments, business and consumers to contain the spread of the virus.

Independent Audit Report to the members of The Gallipoli Legion Club Newcastle Limited

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of The Gallipoli Legion Club Newcastle Limited, which comprises the statement of financial position as at 30 June 2020, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion the accompanying financial report of The Gallipoli Legion Club Newcastle Limited has been prepared in accordance with Corporations Act 2001, including:

- (i) giving a true and fair view of The Gallipoli Legion Club Newcastle Limited's financial position as at 30 June 2020 and of its financial performance for the year ended; and
- (ii) complying with Australian Accounting Standards and the Corporations Regulations 2001.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of The Gallipoli Legion Club Newcastle Limited in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter – COVID-19

We draw attention to Note 1 of the financial report, which describes the circumstances relating to COVID-19 and the uncertainty surrounding any potential financial impact on the financials. Our opinion is not modified in respect of this matter.

Independent Audit Report to the members of The Gallipoli Legion Club Newcastle Limited

Responsibilities of Directors for the Financial Report

The Directors of The Gallipoli Legion Club Newcastle Limited are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the Corporations Act 2001, and for such internal control as the Directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing The Gallipoli Legion Club Newcastle Limited's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate The Gallipoli Legion Club Newcastle Limited or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing The Gallipoli Legion Club Newcastle Limited's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Gallipoli Legion Club Newcastle Limited's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on The Gallipoli Legion Club Newcastle Limited's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause The Gallipoli Legion Club Newcastle Limited to cease to continue as a going concern.

Independent Audit Report to the members of The Gallipoli Legion Club Newcastle Limited

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
